

Local Authorities

How Groundwork can help...

Groundwork has been contracted to run major projects for local authorities across Hertfordshire, Harlow, Luton and South Bedfordshire. We have over 21 years experience in project management and can run entire projects to completion, or discreet pieces of work, such as community consultation. Our experienced team of landscape architects, community officers, youth workers, project managers and fundraisers can provide a 'one stop shop' for your projects.

Significant projects that Groundwork has run for local authorities include:

- **Regeneration and improvements to Peartree Park, Stevenage.**
For Stevenage Borough Council
Including project management of new sports facilities, skatepark, children's play area, community and youth consultation and youth mentoring scheme.
- **Land restoration and creation of Riverside Park, Watford.**
For Watford Borough Council
Including community consultation, land restoration, park design, creation of wildlife areas, seeking planning permissions and project management.
- **Improvements to Harlow green spaces.**
For a partnership including Harlow District Council, East Herts District Council, Essex County Council, Hertfordshire County Council and Epping Forest District Council
Management of a £1million project to improve access to green spaces in Harlow. Including regeneration of Harlow Town Park, improved access routes, community gardens and better access to allotments. Groundwork will also manage the second phase of this project bringing a further £2million of improvements to the area.
- **Improvements to Brantwood Park and Bells Close Recreation Ground, Luton.**
For Luton Borough Council
Groundwork managed major community consultations including open days, door to door visits and addressing area committees. We also established the 'Friends' group at both sites and managed some project works including fencing installation.

Groundwork can help local authorities by providing these services:

- Project management of any environmental improvement project, including seeking planning permissions, coordinating partners, managing contractors, involving the community and volunteers
- Community consultations
- Youth consultations and youth work activities
- Landscape design
- New play and sports facilities
- Improved planting schemes
- New cycle ways, walkways and disabled access routes
- Management of heritage projects, to fit funding criteria such as the Heritage Lottery Fund's 'Parks for People' programme
- Fundraising expertise to bring in matched funding for projects that only charities can access

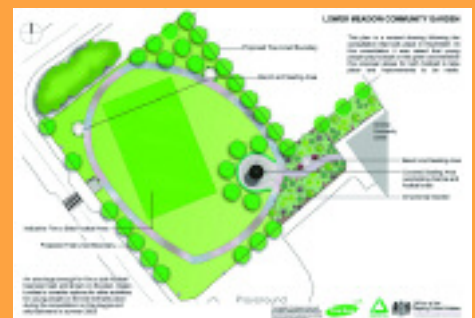

Sports facility for Peartree Park, Stevenage

Groundwork can improve disabled access routes

New play equipment, Peartree Park, Stevenage

Groundwork can design vision plans for your needs
